

BEAUTIFUL JUNK WANTED

Throughout the year, various items from home can be used to create learning materials and hands-on projects for your child's classroom. We need your help in collecting "beautiful junk" for these purposes.

Below, you will find a list of items that you can save and donate to the classrooms. A box or a bag at home could serve as a convenient bin for collecting "beautiful junk". Remember, almost anything can be turned into a treasured collectible or creative learning tool after a child's special touch has been added! Please feel free to send in these items anytime and at your convenience throughout the year. All items will be "quarantined" for two weeks prior to using.

In addition, we are wanting to create exciting and dynamic art centres where the children can express their creativity while enhancing their fine motor skills. We appreciate any donations of beautiful junk, extra arts and craft supplies; fancy papers, pens, and pencils; stickers; envelopes and greeting cards; and anything else that would be engaging and fun.
